A message from Louise Harper

A very warm welcome to our new official Probus UK website!

I would like to take this opportunity to introduce myself to those of you who do not know me.

I'm Louise Harper, daughter of Rotarian Ralph Harper, who designed the Probus 'P' Logo which is now known world wide, and founder of the Probus Information Centre which has been in existence for over 40 years.

With the Probus Information Centre UK now fully staffed I am now in a position to continue with my father's beliefs and share his uncompromising standards and attention to detail.

I hope you will enjoy watching the site grow and I look forward to hearing from you.
Please e-mail me at louise@probuslive.com or write to
PO Box 195, Droitwich WR9 1AP.

Your thoughts and comments are important to me.
